Greetings Pastors, Praying Friends, from beautiful Iwakuni, Japan,

It is such a joy to minister to the men and women in the US Military! We have such a variety of different denominations and backgrounds of personal attending our church here in Iwakuni. Many of whom do not come from a strong, Bible believing or Bible teaching assembly. To see the hunger in their eyes as I stand before them and proclaim the simple gospel, just thrills my heart.

Your faithful investment of financial and prayer support, makes this vital ministry possible to continue to enlarge and enrich the family of our Lord.

I want to thank many of you that have sent extra offerings to purchase new Ryrie Study Bibles for the pastors and laymen that we work with in the Philippines. We are able to purchase these Bibles wholesale for \$25.00 apiece. These men of God are so grateful for their own copy of a quality Study Bible. We also have expanded the ministry of our congregation to sending new and used clothing to the tsunami victims in the southern part of the Philippines. This is James 2: 14-17 in action. It is a rich blessing to see the excitement of our church people as they get involved in serving others for the glory for God.

We!!!! Glorrrry! Ain't God Good!!!!

Please keep us in you prayers. We need you!
